mpr
Ein Unternehmen des Milchprüfring Bayern e. V.

We recommend ordering one set for each examination method, as these are preserved samples.

We hereby firmly register our company for the 6th Total Microbiological Count Proficiency Test (determination of the total aerobic count in raw, preserved cow milk) in January 2028.

Should you not receive an order confirmation within the next 14 days after registration deadline (2027-10-29), please contact us immediately.
